## <u>TO WHOM IT MAY CONCERN</u>

This is to certify that **Mr. Osamah Hussein Hussein Al-Aini**, Passport No. **09264276**, was employed with **Bitlogicx** as an **AI Engineer** from <u>03rd March 2024</u> to <u>01st May 2025</u>.

During his tenure with the organization, Mr. Osamah displayed exceptional technical expertise, problem-solving ability, and commitment to innovation. His key responsibilities included:

- Design, developing, and deploying machine learning and AI-based solutions for business applications.

- Implementing deep learning models, natural language processing (NLP), and computer vision systems.

- Conducting research and integrating advanced AI techniques to improve accuracy and efficiency.

- Collaborating with cross-functional teams to align AI solutions with business goals.

- Ensuring the scalability, optimization, and performance of deployed AI systems.

- Staying updated with emerging AI trends, frameworks, and technologies to enhance project outcomes.

Mr. Osamah's skills and hard work contributed greatly to the company's projects, and we believe he will do well in his future career.

This letter is issued upon his request for official purposes.

Yours sincerely,

**bitlogicx**
bit of everything.
